ABOUT LIFT

LIFT is London's international biennial festival of theatre. LIFT stands for radical empowerment and inclusion. We promote the power and urgency of international perspectives, understanding that difference makes us stronger. LIFT is where artists and audiences meet for necessary conversations and essential cultural experiences. The theatre we offer audiences is compelling, meaningful, provocative, excellent, topical, singular. We advance contemporary thought, introduce new forms and ideas and offer new ways of experiencing art.

Every two years, LIFT presents a festival full of daring and relevant culture, international perspectives and unforgettable theatre. Whether it's a much-loved venue, iconic landmark or unsung corner of London, LIFT gathers Londoners around incredible art. We want our audiences to feel more London and more global every time they encounter LIFT.

LIFT creates contexts where artists make transformative culture happen, as a commissioner, presenter and connector. LIFT is the essential link between leading international artists and London and the UK. We connect British makers abroad. We offer essential supports that give UK artists working abroad momentum and connections; the partnerships we create advance artists and their projects.

Our reach and impact are local, national and international, we co-commission and tour projects in with an array of UK and global partners. We engage and create communities around ideas and projects connecting leading artists to locals and together we make incredible art happen. We celebrate London as a place where the local and international meet.

We do it full of ambition, joy, thoughtfulness. Our team is skilled, productive, connected and ambitious. LIFT loves London. A charity limited by guarantee and based in Toynbee Studios in East London, LIFT is an Arts Council England National Portfolio Organisation.

“LIFT continually push artistic boundaries, embrace risk and is inspired by the creatively impossible...”
Justine Simons, Deputy Mayor for Culture, Greater London Authority

ACCESSIBILITY

We are eager to accommodate for volunteers with access requirements or different needs. The applications form allows you to tell us about your access needs. LIFT will work hard to accommodate every different kind of access requirement within our team. There is also information around content warnings of each show, so volunteers can opt out of volunteering at shows with content they'd like to avoid.
